## A PLACE CALLED HOME

### 8 NEW HABITAT FAMILIES WILL BE IN THEIR HOMES BY CHRISTMAS

John & Jerry Shuttlesworth  
February 15, 2014

Katrina King & family

Starlett Good & children

Every family dreams of spending Christmas in their own home. Between Christmas 2013 and Christmas 2014, this dream will become a reality for 8 new Habitat Families in Hood County. Six homes were completed prior to the Summer 2014 hiatus, and 2 homes are currently under construction. Ten additional families have been selected for our program and are working on sweat equity hours, as they wait for construction to start on their homes.

This Christian ministry is made possible by the generosity of many volunteers and contributors. To help our building program continue, tax deductible donations may be sent to:

## Home Depot partners with Habitat on 5 homes

*The Home Depot Foundation approved a grant which provides partial funding for 4 new homes and 1 re-hab in the 2014-2015 build year.*

Home Depot employees helped with the construction of Robert and Celina Canales' home on October 18. A grant from the Home Depot Foundation is helping to fund construction of homes and it also provided partial funding for the new Habitat office that was constructed inside our new Warehouse/ Shop.

## We have an office, now!

Our donated temporary office, used during tornado recovery, proved so useful that we began to explore how we could keep it. After much discussion, it was decided that it would be more cost efficient to construct a small office inside the existing Warehouse/Shop, which was done during the Summer, thanks in part to a grant from Home Depot Foundation. This office will be open by appointment only.

## A Family Thank You

....Thank you for believing in us and giving our family the chance to make one of our dreams a reality!.... We have been busy bees since dedication day & are all moved in. We can't believe we are fixing to pay our first mortgage payment!....

(Excerpt from a note from Suzi Mendoza in June 2014)
