Family Funded House

Habitat for Humanity of Hood County builds 4 houses a year. All of these houses are special, but we choose one house a year to honor our Habitat families.

This year it is Habitat House #38. On May 26th we dedicated this 3-bedroom house, built in Rancho Brazos Development. This house is a ***“Family Funded Habitat Home”***.

What that means is, a portion of each house payment from all Habitat Families goes into a fund. This fund buys building materials to construct one Habitat home a year in Hood County! **CONGRATULATIONS Habitat home owners, this is the 3rd “Family Funded Habitat Home” built in Hood County!**

With each house payment a Habitat family makes on their home, they can be proud of the fact that they are helping other families. Of course everyone that has donated time or money to this housing ministry can be proud, indeed!

The other houses that we normally build each year will continue to be funded by donations from the community of Hood County.

And thanks to the generosity of this wonderful community, there are 60 adults and 85 children living in Habitat homes in Hood County.

Our next four families have started working on their sweat equity hours, families must put in 300 hours each, by helping build their home and other families' homes. With these families bring eight children. If you would like to partner with Habitat, to help these children have a safe and decent place to live...come out to the build site, or join The Carpenters Club, or pray for this Ministry. Your support is needed and greatly appreciated!

Thank you State National Bank

Along with celebrating our “Family Funded House”, we want to take this opportunity to thank State National Bank for servicing our Habitat homeowner mortgages for the last 11 years. This is a huge gift on the bank's part, and we appreciate them greatly. Their encouragement to the families and opportunity for the families to interact with a local bank is a blessing to our affiliate and families. Special thanks to Monica Campbell, Melissa King and other staff for their dedication to our homeowners and the time spent helping us. We are blessed by your service!

SARA MORTON

On Wednesday, May 30th, Habitat volunteers joined family, friends and neighbors at a memorial for Sara Morton. Sara had been a faithful volunteer with our "Lunch Bunch" crew for the past three years. Her sudden illness and subsequent death has left a large void. She will truly be missed.

Our Tithe Working in Kyrgyzstan

Habitat for Humanity of Hood County is a Christian ministry and therefore we tithe ten percent of our undesignated contributions. Our tithe from 1996 through December 2006, was \$120,643. We believe that those who support this ministry should know where our tithe is being sent and that it is being used properly. HFHI allows each affiliate to designate where they want their tithe sent. For our first six years, we sent our tithe to General Santos City in the Philippines. Since 2003, our tithe money has been sent to the Republic of Kyrgyzstan. We believe this was and still is a good choice.

Kyrgyzstan is the smallest of fifteen independent states formed from the former Soviet Union. It is a Republic, slightly smaller than the state of South Dakota, with a population of 5.4 million. It is an isolated, mountainous, land-locked country in central Asia. It is breathtakingly beautiful with colossal mountains, rivers, lakes and forests. The people, however, live on the plains, only ten percent of the land.

The people are very diverse with 80 different cultures. They have two major religions, 75 percent are Muslim and 20 percent are Russian Orthodox. It is a beautiful land with many poor people. Fifty percent of the population is below the poverty line. Sixty percent of the people do not have their own home but co-exist in someone else's home or apartment. As many as 20 live in a two room house. It has one of the lowest per capita incomes and the highest infant mortality rates anywhere in the world.

Kyrgyzstan is a country in transition. It is a young country, only sixteen years old, with a poor economy and an unstable government. In March of 2005, they had a revolution, but in four months had their first democratic & transparent election which resulted in a new president. They are hard working, resilient people. Since becoming a Habitat affiliate in 1999, they have built or renovated 166 houses and apartments. Their 2007 goal is to build 31 half builds, renovate 8 apartments, and build 10 cane reed houses. A "half build" is a house half done but livable which will be completed later, enabling more people to have a heated home during their harsh winters. The "cane reed" house is a house built using local cane reeds that are woven to fill a timber frame and fortified with clay. These innovative people used this 19th century technique to develop a cheaper, easier to build, as well as environmentally friendly house. In 2006, HFH Kyrgyzstan won a prestigious award from The World Bank for their "cane reed" house.

The cost of a Habitat house in Kyrgyzstan is between \$8,000 & \$10,000. With every third house we build in Hood County, our tithe makes possible a house in Kyrgyzstan. But there is more to this story. Marat Jidbaev, Kyrgyzstan HFH executive director, told us that during Soviet control, no one was allowed to leave his country and people were not allowed to come into the country so that they did not know any Americans. "Now we know you and we like you. We need money but we also need to know more about each other. Knowing that you care and help, makes the hard work seem easier, rough life becomes more joyful and new hope emerges for a better future." OUR TITHE IS IN GOOD HANDS. - Phyllis Anderson

Bill Williams

We would like to remember our dear friend Bill Williams. Bill served on our Board of Directors for 6 years and then continued to serve Habitat in many other ways for many more years. Bill loved the people in Hood County and had great compassion for those in need of decent housing. As well as administrative duties, Bill came out to the construction site many times and brought his family with him to lend a hand. Our prayers are with his family and friends. Bill blessed all of our lives greatly and he will be truly missed by all of us.

CARPENTERS CLUB

THE "Carpenters Club" is a faithful group of people who show their love & concern for those in need by contributing \$100 each time a Habitat house is started in Hood Co. (some prefer to remain anonymous.) THANK YOU to all 122 of you!

Congratulations New Habitat Families!

Habitat Home #37 was Dedicated on May 5, 2007, the home of **Oscar & Christina, Children JJ & Yasmine**. We give our sincere Thanks to Pastor David Cox of Davilla Baptist Church for a heartfelt blessing and dedication!

Community Bank sponsored the house and several of the employees helped build the home. Carey Gentry, Market President presented the keys to this very happy family. Thank you all for giving of your time to help this family start a new life that has promise of a better future.

Habitat Home #38 was Dedicated on May 26, 2007, the Home of **Kathy & her son Lance**. Kathy & Lance were blessed with two Pastors giving prayers, and blessings!

What a celebration! Thank you Rev. Sutton of Acton United Methodist and Pastor Joe Ardy, Ascension Lutheran Church of Cleburne. You made this a very special day in Kathy and Lance's life.

All our Dedications are special, but on this day **a miracle happened!** Terry Templeton came walking up with his wife Sherrie and good friend Joe! Terry had terrible accident, which nearly took his life. But the many, many prayers were answered and Terry is on the road to recovery. God has blessed each and everyone! We do have so much to be thankful for!

Behind the Building!

“The Help came from the Lord, but the *Helping Hands* were yours”. Habitat sends a very Big Thank You to the following volunteers for their dedicated support to the ministry...doing their work “Behind the Building”

- **Elsie Tallant**, computer spreadsheet of our Volunteers.
- **Ed & Sallye Vela**, our mailing list and grant work for our Habitat families.
- **Maureen Walker & Elanor Foot**, stamping and folding our return envelope for each newsletter.

Thank you **Barbara Snyder** and **Marsha Grissom!**

Barbara arranges for the Habitat “gift” Bible given to each Habitat family at their dedication.

Marsha personalizes each Bible with her beautiful calligraphy. These unknown details (as so many others) take place with each Habitat home dedication; “each home adding a chapter to our Hood County Affiliate...indeed a Christian Ministry.

Attention Direct Depositors!

Several persons are donating to Habitat regularly by "direct deposit" or electronic funds transfer from their account to ours. We think we know who some of those persons are, and have included their names in the list of contributors. There may be others who are unknown to us.

Privacy rules prevent banks from disclosing names of these depositors to us. When we receive bank statements of our accounts, the statement shows the amount of money deposited by funds transfer, but not the names of the people from whom it came. As a result, those donors do not receive thank you notes or tax statements from us.

If you are one of our donors by funds transfer, please call Carol Davidson at 817-573-8480 or Susan Meche at 817-573-1626, and let us know who you are and the amount. We want to be sure your money is going into a Habitat account.
