

ADULT WAIVER OF LIABILITY, RELEASE, AND ASSUMPTION OF RISK

This form must be completed for ALL volunteers 18 years of age or older.

I understand that building construction involves certain risk and dangers of accidents, serious personal and bodily injury, including death and permanent disability, and property loss and damage. I knowingly and voluntarily choose to accept and assume such risks and dangers, both known and unknown, associated with volunteering for Habitat for Humanity of Hood County ("Habitat"), and even if arising from the negligence of Habitat and/or its board members, directors, officers, employees, volunteers, representatives, and agents (the "Released Parties"). I understand that, as a volunteer, I am not covered by Workers Compensation Insurance. I accept full responsibility for my own safety, and I acknowledge that this Waiver of Liability, Release, and Assumption of Risk shall govern my actions and responsibilities while volunteering for Habitat.

I understand that Habitat, the Group (as defined below), and the Released Parties will not be liable for any injuries or illness that I or any of my dependent(s) may suffer which arise directly or indirectly from my work with Habitat, the Group, or Released Parties, regardless of the negligence or fault of Released Parties or the Group.

I hereby expressly INDEMNIFY, RELEASE, AND HOLD HARMLESS Habitat, the Group, and the Released Parties from any and all claims for compensation or liability arising out of an injury, illness, or death that I or my dependent(s) may sustain, directly or indirectly, in connection with the work I will be doing with Habitat and the Released Parties, and hereby WAIVE, RELEASE AND AGREE TO HOLD HARMLESS Habitat and the Released Parties of and from any and all liability or claims or cause of action for personal injury, illness, medical expense, or death arising from or caused by any act or omission of Habitat, the Group, the Released Parties, or myself, while volunteering for Habitat.

Due to the risks associated with building construction, I hereby consent to receive medical treatment which may be deemed available in the event of injury, accident, and/or illness while working with and volunteering for Habitat. In addition, I INDEMNIFY, RELEASE, AND HOLD HARMLESS the Released Parties from any liability or claim arising out of first aid, treatment, and medical services rendered while working with and volunteering for Habitat, and such waiver and indemnification extends to all periods of construction or any other volunteer work that I perform on behalf of Habitat.

I do hereby grant all right, title, and interest I may have in any and all photographic images, and video/audio recordings, created by Habitat or its agents or employees during my work for Habitat including (but not limited to) any royalties, proceeds, or other benefits derived therefrom.

This Waiver of Liability, Release and Assumption of Risk Form shall be governed by Texas law and constructed broadly to provide a release and waiver to the maximum extent.
