## Volunteer Spotlight

### John & Susan Meche

John & Susan have been volunteering with our Habitat affiliate for 15 years. Upon moving to Granbury after retirement, they both started volunteering on the construction site, and their volunteer work expanded to meet other needs. In addition to working on the houses, John keeps the warehouse property and vacant lots mowed and the trees and brush trimmed. Susan served on the Board of

Directors for 7 years as Treasurer, and has been the volunteer accountant for over 13 years, and also enjoys doing other administrative tasks. They've also enjoyed volunteering with Habitat for Humanity in Egypt, Jamaica, Mexico, New Orleans, Fort Worth, and Beaumont, including 2 Jimmy & Rosalynn Carter Build Projects and recovery efforts after Hurricanes Katrina and Rita.

## Volunteer Opportunities

**Jan Pope** has been organizing meals for the last two years and she can always use more help. If you or your group would like to bring lunches for the volunteers and families on construction days or if you would like to come help serve, Jan and her team can always use you.

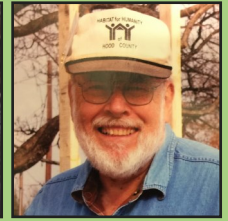

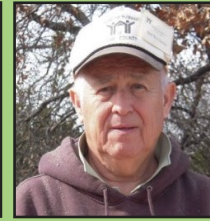

**Bill Eslick** takes care of our website, security system, phone message retrieval, returns calls / e-mails, and keeps our computers running smoothly. He also takes care of posting construction reports and getting messages out for our affiliate. He is a jack of all trades, but would really appreciate some help too.

**Habitat Quilting Bee** - These ladies get together and make quilts for everyone that will live in each Habitat home. This is a talented bunch that welcome all the help they can get.

Our affiliate is run by a Board of Directors and Committees. We have many types of committees on which you might enjoy helping. Construction, Family Selection, Family Support, Public Relations, Church Relations, and Newsletter are a few. We also have an office staffed by volunteers.

As an ALL VOLUNTEER AFFILIATE we have all kinds of volunteer positions that you might enjoy. God has blessed us with many talented people but we always have room for more. Many of us have been around for years, and others are brand new. All talents and experience can be used, so if you would like to help, give us a call and let us know where you might like to serve.
