# Hammer & Nails

*Building a world where everyone has a decent place to live*

## HOME IS WHERE THE HEART IS

Volunteers, businesses and homeowners put their hearts into building six homes and renewing another this year. Special thanks go out to donors and the anonymous donor that matched them! You have made it possible to build these homes!

The seven families shown here are all now enjoying their new homes. Three additional families have been selected for our program and are working on their sweat equity hours as they await the construction of their own homes in the fall.

This Christian ministry is made possible by the generosity of many volunteers and contributors. To help our building program continue, tax deductible donations may be sent to:

## New Office Location

Our new office is located at 3710 S. Sagecrest Ct., Granbury, TX 76049 (Mailing address remains P.O. Box 1866, 76048) in the Rancho Brazos community. During the summer we will be open by appointment only. Leave a message at 817-573-2812.

Bill Bally and Paul Drake met at Habitat and discovered they were both racing enthusiasts. They are now good friends and travel to races together. Another example of Habitat bringing people together!

Thank you to the Roadrunner RV club from Hot Springs Village, AR.

### New Homeowner Shelly Boucher.

*How did you find out about Habitat?*

I saw the houses built in the neighborhood. My uncle told me about how to apply.

*What's the best thing about working on the houses?*

I enjoy working with everyone because they are all so friendly and nice. No one looks down on you.

Thank you to our new volunteer lunch coordinator, **Kay Bailey!**

*Kay says: "I'm honored and so looking forward to helping set up the meals with such a giving community like Granbury!"*

She replaces Sandy Varner whom we thank for her years of service in this position.

### New Homeowner Roberto Canales.

*How's that new house?*

It's just beautiful. You don't know how much junk you have until you have to move!

*What's the best part of owning your home?*

Feeling free. My heart feels so big.

In July 2014, Habitat for Humanity of Hood County received a grant from The Home Depot Foundation to provide major funding in the building of homes for five new families in Rancho Brazos.

On May 16, 2015, the last of those five homes was dedicated. Chris Cox, Manager of the Granbury Home Depot, is shown presenting Justin Jones and Michelle Boucher the keys to their new home. Granbury Home Depot employees also volunteered in construction of some of the homes funded by this grant.

## APPLICATION DATES

If you or someone you know would like to apply for a Habitat home, application dates are:

**Saturday, July 11 (10 AM) and Sundays, July 12 and 19 (1 PM)**

**Rancho Brazos AUMC Community Center, 3701 Sundown Trail, Granbury, TX, 79049**
