A Look Back with Thanks

Thank You

As we look back on the last 27 years and all the matching fund gifts given to Habitat and the families we build with, we are reminded of how generous each of you as donors have been to this ministry.

Because we have been an **all-volunteer** affiliate, we have been able to put every donor gift into the building of homes. Recently we have begun to celebrate with homeowners who have paid off their 20 year mortgages!

We always welcome new volunteers and new donors. We would love to have any of you visit us any time on site. Please consider donating to this ministry of building homes and building lives! You will be blessed by your participation. It's amazing how lives are changed and many new friendships are made. We welcome you to participate with volunteering, praying and giving. All are always needed.

Blessings and Peace,
Carol Davidson, Executive Director

It is always exciting when that first wall goes up!

Match Fund Drive

Thank you to the anonymous donors who have provided our matching fund this year!
You are greatly appreciated!!

All donations received from November 15th through January 31st will be matched up to the amount of the fund.

Please send your gift to:

How to Volunteer

One of the questions We get on a regular basis, is "How do I volunteer"? The best way is to go to our website (see below), click on "Volunteer".

The first thing you will see is a chance to add your name to our email list. You will receive a pictorial construction report every workday but can unsubscribe at any time.

Go back up to "Volunteer"/ "How to Volunteer" and just follow the 1-2-3 instructions.

We look forward to meeting new volunteers and introducing them to this exciting ministry!

Thank You Lou Bates

Lou Bates has made over 100 quilts for our new families. She and her Habitat Bee have been faithful volunteers for many years, and have made quilts for each family member.
